AMFC Update

We would like to ensure all of our families are aware that participation in the Aide for Medically Fragile Children program as a caregiver will result in the income being used to calculate your child's Medicaid eligibility. The Agency for Healthcare Administration is aware of this conflict and is looking to change this requirement soon however at this time please ensure you are aware of your households income limits. Please use the resources below to ensure this income will not affect your child's Medicaid.

Happy Holidays

We want to take a moment and thank you all for your hard work and devotion to our communities goals. Thank you for trusting us with yourselves and your loved ones.

We are incredibly fortunate to have such a wonderful group of people that make up our community. We hope your holiday season is full of love, joy, family, and friends. May this time fill your heart with an abundance of happiness!

Holiday Office Hours

Our office will be closed on December 25th & January 1st. You can still reach us on these days through our main line at 407-270-5501 to speak with an on-call coordinator.

As a reminder to our dedicated caregivers who will be working on Christmas Day and New Years Day, you will receive time and a half from 12am to 11:59pm as long as you are below overtime hours.

New Internal Team Members

We have had a great deal of growth in our internal team over the last few months. You may be communicating with these team members so we wanted to give you a small introduction to them.

Brooke Koonce - Payroll Support Specialist

Alysa Whetro - Scheduling Coordinator

Ronald William - On Call Coordinator

Paola Vargas - Scheduling Coordinator

Danielle Johnson - Medical Records Clerk

If you ever need to contact these team members directly you can reach them through our main line at 407-270-5501.

More Growth to Come

We are excitedly looking forward to opening our Fort Lauderdale and Jacksonville offices in 2025 so that we can support the patients and caregivers in regions 10 and 4. This will allow us to cover the following counties in Florida - Broward, Baker, Clay, Duval, Flagler, Nassau, St. Johns, and Volusia. Thank you for your support and contribution to these exciting endeavors!

Everly Bordles

We are excited to introduce you to Everly for this month's patient highlight! Everly has been a fighter since birth! She was put on life support at only one day old. Being diagnosed with Lissencephaly and Pachygyria, she is a rare girl. These are only diagnosed in 1 out of every 200,000 people. Everly left the NICU at almost a month old, having 30-40 seizures a day, and being found as AED resistant. In August, Everly had brain surgery to stop her seizures and it has truly been life changing. Everly went two months seizure free and they have been seeing minimal seizure activity. Her family is so thankful that she has the opportunity to show everyone what she is capable of and she is rocking it!

Everly enjoys watching Ms. Rachel and the dancing fruit on YouTube Kids. She loves toys that play music or light up. She also loves toys she can grasp in her hand. Since her surgery Everly has become so happy and smiley.

She loves being talked to and snuggled. Everly celebrated her first birthday on November 24th! You can see members of our team, Mitra and Zubair, with Everly below at her birthday party. If you would like to keep up with Everly's journey you can follow her page on TikTok, [@TeamEverlyForever.](#)

Anthony Mosora

We are proud to introduce you to our October caregiver of the month, Anthony! Anthony has been working with his patient TJ for a long time. TJ, his family, and his nurses have become a strong family unit, all working together to look after TJ. TJ's family has expressed that Anthony is awesome and always makes their son smile. They know that if they leave their son with Anthony, he will be cared for and they don't have to worry about anything. We greatly appreciate the opportunity to work with Anthony. His dedication and hard work does not go unnoticed! We appreciate you Anthony!

A Matchmaking Moment

This month we would like to introduce you to one of our patients, Veronica, who likes to go by Faithy!

Faithy has been a part of our Atlantic family for a couple of years now and it has been such a pleasure getting to know her and her family.

Faithy loves to laugh and watch the show, Coco Melon. Her favorite food is sweet potato, her favorite color is yellow, and her favorite movie is Moana. She also enjoys listening to music.

Faithy is located in Palm Bay, Florida. She is in need of care on Sunday, Monday, Wednesday, Thursday, and Friday from 7pm to 7am. She requires a nurse that is skilled in g-tube care and has experience working night shift. It is important to the family that Faithy's nurses are compassionate, alert, and truly care about what is best for Faithy.

If you are a caregiver that matches these qualities and is interested in working with Faithy, please call our main line at 407-270-5501. We would be thrilled to set up a meet and greet so that you can begin getting to know Faithy and her family!
